THE 16-PAGE LAWSUIT CLAIMS SEVERAL TIMES, FATHER JOSE MENA USED HIS INFLUENCE AS A PRIEST.. TO USHER THE BOY TO A SECLUDED SPOT INSIDE INCARNATION CHURCH. THERE, IT SAYS, THE PRIEST KISSED HIM.. FONDLED HIM.. AND PERFORMED SEX ACTS IN FRONT OF HIM. THE PRIEST TELLING THE BOY, TO STAY SILENT. BUT THE SUIT SAYS *THE BOY* WASN'T THE ONLY ONE KEEPING IT A SECRET.. ATTORNEYS CLAIM CHURCH OFFICIALS *KNEW* FATHER MENA WAS LIKELY ABUSING CHILDREN - AND DID NOTHING TO STOP IT. *THAT* LEADS TO THE LAWSUIT. CHARGES OF NEGLIGENCE.. THAT THE CHURCH "KNEW... OR SHOULD HAVE KNOWN THAT FATHER MENA WAS UNFIT, DANGEROUS, AND A THREAT..." BUT "PROVIDED FATHER MENA UNFETTERED ACCESS" TO THE BOY ANYWAY. TODAY, INCARNATION CHURCH AND SCHOOL ARE RUN BY THE DIOCESE OF VENICE.. BUT THAT *WASN'T* THE CASE IN THE 1960'S.. WHEN THE BOY WAS A STUDENT HERE. THE VENICE BRANCH OF THE CHURCH - RUN BY BISHOP JOHN NEVINS - WASN'T EVEN FORMED UNTIL 1984 - SOME 20 YEARS AFTER THE ALLEGED ABUSE. THAT'S WHY DIOCESE OF VENICE SAYS IT DOESN'T EVEN KNOW *WHY* *IT'S* MENTIONED IN THE SUIT..THE SUIT ACTUALLY TARGETS *THREE* DIOCESE.. IN VENICE, ST. PETERSBURG, AND ST. AUGUSTINE. BECAUSE ALL THREE HAVE - AT SOME POINT IN THE PAST 40 YEARS - BEEN IN CHARGE OF INCARNATION. IT'LL BE UP TO A JUDGE OR JURY TO DECIDE WHETHER THE *CURRENT LEADERS* OF THE CHURCH - CAN BE HELD ACCOUNTABE FOR ALLEGATIONS THAT ARE DECADES OLD.

FOR THREE WEEKS AFTER THE CRASH.. VANESSA LAY - IN A COMA. IN A FT. MYERS HOSPITAL BED. "MACHINES GOING - BUZZERS - AND IT'S LIKE - IT DIDN'T LOOK LIKE HER. THAT WASN'T THE VANESSA I'D SEEN AT 4 O'CLOCK THAT AFTERNOON." VANESSA CAME OUT OF HER COMA - IN TIME FOR HER 18TH BIRTHDAY. SURROUNDED BY FRIENDS.. BUT ALL ALONE.. A SHADOW OF THE HAPPY HIGH SCHOOL JUNIOR HER PARENTS ONCE KNEW. "I HAVE WAITED FOR DAYS, JUST TO SEE VANESSA OPEN HER EYES.. AND THEN WHEN, SHE DID OPEN HER EYES TO SEE ME, THEY WERE - SHE

COULDN'T REALLY FOCUS.. AND I WAS WONDERING - FOR THE LONGEST TIME, BEING HER MOTHER.. IF SHE REALIZED WHO I AM." BUT WITH A NEW YEAR - COMES NEW HOPE. IN THE FIRST WEEK OF JANUARY, MEDICAID PAYS TO MOVE VANESSA.. TO HEALTH SOUTH'S REHABILITATION HOSPITAL IN SARASOTA. "ONCE SHE GOT HERE, WE FINALLY STARTED SEEING PROGRESS." "SHE'S - WHUPPED EVERYTHING THAT I'VE SHOWN HER.. I'VE SHOWED HER THE CLOCK - SHE TOLD ME WHAT TIME IT IS.. SHE'S WORKED THE RADIO FOR ME.. SHE'S WORKED THE TV FOR ME, TURNING IT ON AND OFF. SHE'S BUILT PUZZLES - SHE'S DONE SHAPES WITH OBJECTS." HER SPEECH AND OTHER SKILLS ARE BACK.. AFTER JUST *TWO MONTHS* OF INTENSIVE HELP HERE. "SHE IS NOW LOOKING AT ME AND SAYING 'HI, MOM' - AND WAVING TO ME. AND THAT IS A LOT (CRIES)." "VANESSA'S FAMILY SAYS THIS HOSPITAL, ITS STAFF, ITS PROGRAMS, ARE THE REASON THEIR DAUGHTER HAS - COME BACK TO LIFE. NOW, THEY'RE HEARING FROM MEDICAID - THE STATE PROGRAM THAT PAYS THEIR DAUGHTER'S BILLS - THAT THEY HAVE UNTIL FRIDAY - TO TAKE HER AWAY FROM HERE." "THEY SAID HER NEEDS WOULD BE BETTER SERVED IN A LONG-TERM FACILITY.. THAT WAS THE END OF THE EXPLANATION I GOT." VANESSA'S FOLKS SAY MEDICAID PLANS TO PULL HER FROM THE HOSPITAL - AND PUT HER HERE. THE BROWARD CHILDREN'S CENTER.. A LONG-TERM NURSING HOME. IT OFFERS REHABILITATION AND THERAPY.. BUT NOT THE SAME ACUTE CARE SHE GETS IN SARASOTA. "JUST THE MOVE ALONE - I THINK WOULD BRING - TAKE VANESSA BACK - INSTEAD OF TAKING HER FORWARD LIKE SHE'S DOING RIGHT NOW." SHE WANTS TO GO BACK TO SCHOOL AND SHE WANTS TO GRADUATE NEXT YEAR. IT'S GOING TO BE A TOUGH ORDER - BUT I THINK WE CAN DO IT - JUST LEAVE HER ALONE, LET HER GET WELL." *PRIVACY CONCERNS* MEAN MEDICAID CAN'T TALK ABOUT *VANESSA'S CASE*. BUT IN GENERAL, A SPOKESMAN SAYS DECISIONS TO MOVE PATIENTS ARE BASED ON AN UNBIASED OPINION OF WHAT'S BEST FOR THEM. THE PATIENT'S RECORDS GO TO A PAIR OF SPECIALISTS.. IN THIS CASE BRAIN INJURY DOCTORS. THEY REVIEW THE PAPERWORK^ - AND MAKE THE CALL. IF THE FAMILY OBJECTS - LIKE VANESSA'S HAS - THOSE RECORDS GO OUT AGAIN - SOMETIMES AS MANY AS FOUR TIMES - TO EXPERT DOCTORS. VANESSA'S FAMILY SAYS IT'S NOT FAIR TO MAKE THAT DECISION - WITHOUT COMING FACE-TO-FACE WITH THEIR DAUGHTER. "SOMEONE IN ANOTHER CITY IS DECIDING WHAT'S GOING TO HAPPEN TO VANESSA.. WHEN THEY DON'T KNOW.. THEY DON'T KNOW THE WHOLE STORY." MEDICAID SAYS THE SYSTEM *IS FAIR* - AND IT WORKS." "THESE DOCTORS REVIEW MEDICAL EVIDENCE," A SPOKESMAN SAYS, "AND USE THEIR YEARS OF EXPERTISE TO SEE IF A PATIENT CAN GET BETTER CARE IN A LESS RESTRICTIVE ENVIRONMENT..." HE GOES ON, "YOU ^WANT THEM^ TO BE IN AN ENVIRONMENT THAT'S MOST CONDUCIVE TO THEIR RECOVERY." "IT'S REAL HARD TO TRY AND FIND A PLACE TO TRUST FOR YOUR CHILD TO BE." VANESSA'S MOM SAYS SHE KNOWS *EXACTLY* WHERE HER DAUGHTER WILL GET THE BEST CHANCE TO RECOVER.. IT'S WHERE SHE IS - RIGHT NOW.

AS STRONG AND ACTIVE AS SHE IS, YOU'D NEVER KNOW THAT 67-YEAR OLD JOANNE NEUBERT RECENTLY HAD BREAST CANCER. JOANNE NEUBERT BREAST CANCER SURVIVOR: "I WAS DIAGNOSED WITH BREAST CANCER IN THE SUMMER OF 2003. I HAD SURGERY IN AUGUST AND STARTED CHEMOTHERAPY IN SEPTEMBER, AND I FINISHED UP JUST BEFORE THE HOLIDAYS." CHEMOTHERAPY USES STRONG DRUGS TO KILL CANCER CELLS. BUT IT CAN MAKE PATIENTS NAUSEOUS, EXHAUSTED AND WEAK. SO MANY PHYSICIANS HESITATE TO OFFER THE "CHEMO" TO ELDERLY PATIENTS. BUT A NEW STUDY IN JAMA, JOURNAL OF THE AMERICAN MEDICAL ASSOCIATION, SAYS THIS STRONG MEDICINE WORKS FOR ELDERLY BREAST CANCER PATIENTS. THEY EXPERIENCED THE SAME DEGREE OF BENEFIT, BY THAT I MEAN THE SAME LOWERING OF THEIR RELAPSE RATE, AND THE SAME LOWERING OF THEIR BREAST CANCER MORTALITY RATE, BY BEING ON A HIGHER DOSE THERAPY. THIS WAS SIMILAR TO YOUNGER PATIENTS." DR. HYMAN MUSS OF VERMONT CANCER CENTER IS PART OF A NATIONAL CANCER INSTITUTE RESEACH GROUP THAT CONDUCTED THE STUDY. THE RESEARCHERS TRACKED ABOUT SIX-THOUSAND BREAST CANCER PATIENTS, ABOUT SIX-HUNDRED OF WHOM WERE AGE 65 OR OLDER, TO SEE HOW THEY RESPONDED TO HIGH DOSES OF CHEMOTHERAPY. MUSS: "ALL OF THE WOMEN HAD INVOLVEMENT OF THEIR LYMPH NODES, THE GLANDS UNDER THEIR ARM, AS PART OF THEIR BREAST CANCER, WHICH MAKES THEM AT VERY HIGH RISK OF REOCCURRENCE." BUT OTHERWISE, THE WOMEN WERE IN GENERALLY GOOD HEALTH. OLDER PATIENTS DID HAVE A SLIGHTLY HIGHER RISK OF BAD REACTIONS TO THE CHEMOTHERAPY, BUT NOT ENOUGH TO OUTWEIGH THE BENEFITS. MUSS: "I WOULD RECOMMEND THAT FOR OLDER BREAST CANCER PATIENTS AND THOSE THAT CARE FOR THEM AND LOVE THEM, THAT THEY ASK THEIR PHYSICIANS ABOUT THE OPPORTUNITIES TO RECEIVE CHEMOTHERAPY THAT MIGHT BE HELPFUL TO THEM." IT WAS HELPFUL TO JOANNE. SHE SAYS SHE'S CANCER OUT FREE, AND CAN'T BELIEVE HER AGE COULD HAVE KEPT HER OF "CHEMO." JOANNE NEUBERT BREAST CANCER SURVIVOR: "I DON'T THINK IT'S FAIR FOR PEOPLE MY AGE NOT TO BE TREATED LIKE EVERY OTHER WOMAN." "I THINK I'M JUST AS CAPABLE OF SURVIVING AS WELL AS ANYBODY ELSE."

THESE CUTS ARE HUGE, THERE'S NO TWO WAYS ABOUT IT. CHILDREN'S HOSPITALS ARE VERY DEPENDENT UPON MEDICAID FUNDING, AS MANY OF THEIR PATIENTS REQUIRE FEDERAL ASSISTANCE. WITHOUT THE GOVERNMENT DOLLARS, THERE'S NO QUESTION, CUTS WILL BE MADE, AND EVEN NON-MEDICAID PATIENTS WILL BE AFFECTED. "THIS IS PROBABLY THE MOST DEVASTATING THING THAT HAS HAPPENED TO MY HUSBAND AND ME. IT WAS CRUSHING." WHEN TEN YEAR OLD ZACH HILL WAS SUDDENLY DIAGNOSED WITH A BRAIN TUMOR, HIS MOM LAURIE KNEW SHE WANTED HIM TO BE CARED FOR AT THIS MAJOR CHILDREN'S HOSPITAL...CHILDREN'S HOSPITAL OF PITTSBURGH. "I'VE HAD SO MANY PEOPLE COME IN TODAY THAT I CAN'T EVEN REMEMBER THEIR NAMES, THAT ARE TRYING TO HELP HIM. IT IS, IT'S TOTALLY AMAZING." BUT MAYBE, THERE WILL A FEW LESS FOLKS CARING FOR KIDS LIKE ZACH. OR MAYBE, THERE WILL BE DIMINISHED EMERGENCY ROOM SERVICES...OR FEWER DOCTORS TO CARE FOR THEM. NOONE KNOWS...YET...WHAT WILL BE THE FINAL IMPACT OF THE MEDICAID CUTS PROPOSED IN THIS YEAR'S FEDERAL BUDGET. THEY'RE, RELATIVE TO PREVIOUS YEARS, TREMENDOUS...60 BILLION DOLLARS OVER TEN YEARS. THAT'S ALMOST THIRTY TIMES MORE THAN THE 2.2 BILLION IN FEDERAL CUTS THAT CONGRESS REJECTED IN 2004. ROGER OXENDALE, CEO OF CHILDREN'S HOSPITAL OF PITTSBURGH SAYS HE EXPECTS TO LOSE MORE THAN EIGHT MILLION DOLLARS IN HIS BUDGET AS A RESULT. "WHEN YOU LOOK AT THE ABSOLUTE DOLLAR FIGURE THAT WE ARE TALKING ABOUT OF 8.2 MILLION DOLLARS, IT IS A HUGE IMPACT TO US. AND IF YOU THINK ABOUT AND YOU TRY TO TRANSLATE THAT INTO A SPECIFIC PROGRAM, THAT COVERS PROBABLY JUST OFF THE TOP OF MY HEAD, THAT PROBABLY COVERS 6 TO 10 PROGRAMS THAT WE PROVIDE, SERVICES THAT WE PROVIDE HERE AT CHILDREN'S HOSPITAL OF PITTSBURGH. MEDICAID IS THE SINGLE LARGEST PROVIDER OF HEALTH CARE FOR CHILDREN, INSURING ABOUT ONE IN 4 OR 26 MILLION CHILDREN OVER ALL. IN FACT IT IS SUCH A SIGNIFICANT PROVIDER THAT THE BUDGET CUTS WILL LIKELY MEAN ELIMINATION FOR NUMEROUS SERVICES INCLUDING THOSE THAT PROVIDE CARE FOR ALL CHILDREN NOT JUST MEDICAID RECIPIENTS. "WHILE IT IS EASY FOR THE AVERAGE PERSON ON THE STREET TO LOOK AT THIS AND SAY WELL THIS ISN'T GOING TO IMPACT ME OR MY CHILDREN, THE REALITY IS A REDUCTION OF THIS MAGNITUDE HAS THE ABILITY TO IMPACT ALL OF THE KIDS AND THE SERVICES THAT THEY RECEIVE." "WE CANNOT GET BY WITH LESS THAN WHAT WE'RE BEING PAID NOW." DR. DENNIS CLEMENTS IS INTERIM CHIEF OF PEDIATRICS AT DUKE CHILDREN'S HOSPITAL IN NORTH CAROLINA. HE SAYS DUKE

WILL SEE ABOUT A NINE MILLION DOLLAR LOSS. "THE MONEY HAS TO COME FROM SOMEWHERE. SOMETHING WILL HAVE TO GO, NONE OF WHICH ARE ACCEPTABLE."

SHE WAS A HEALTHY 15 YEAR OLD ...AT CHURCH IN HER HOMETOWN OF FOND DU LAC, WISCONSIN WHEN A BAT STARTED FLYING AROUND...LANDING ON THE FLOOR. JEANNA GIESE ASKED HER MOTHER IF SHE COULD PICK IT UP.... I NEVER THOUGHT ANYTHING OF IT. I SAID SURE...IF YOU WANT TO. I WOULDN'T DO IT. SO SHE TOOK IT BY THE TIPS OF THE WINGS AND TOOK IT OUT...AND AS SHE SET IT IN THE TREE, IT REACHED OUT AND BIT HER IN THE FINGER. THE CUT HEALED QUICKLY, AND HER PARENTS DIDN'T WORRY ABOUT IT... UNTIL JEANNA GOT VERY SICK A MONTH LATER...AND WAS DIAGNOSED WITH RABIES. IT WAS TOO LATE FOR THE VACCINE TO DO ANY GOOD..... THE BEST THING TO DO WAS TO PROVIDE COMFORT CARE, AND LET THE DISEASE TAKE ITS COURSE. SO YOU TOLD THE PARENTS THEIR DAUGHTER WAS GOING TO DIE? YES, AND IT WASN'T AN EASY THING TO DO. AND THAT'S WHY WHAT HAPPENED 72 DAYS LATER WAS SO AMAZING. JEANNA WENT HOME... A MEDICAL FIRST: THE ONLY KNOWN SURVIVOR OF RABIES WITHOUT A VACCINATION. WE DON'T KNOW WHY JEANNA IS THE ONE THAT GOD SAVED, BUT HE DID. JEANNA'S DAMAGED NERVES ARE STILL RECONNECTING... SO ITS NOT THAT EASY FOR HER TO WALK AND TALK.... YOU'RE A STAR BASKETBALL PLAYER...YEAH! VOLLEYBALL PLAYER? YEAH! WHAT ELSE? SOFTBALL! WHAT POSITION DO YOU PLAY? SECOND BASE...HOW SOON DO YOU WANT TO BE AT SECOND BASE...SOON. AND THAT, DOCTORS SAY IS A REALISTIC GOAL, BECAUSE HER IMPROVEMENT AT REHAB IN FOND DU LAC.... HAS BEEN AS DRAMATIC AS THE EXPERIMENTAL TREATMENT THAT SAVED HER LIFE IN MILWAUKEE. DOCTORS PURPOSELY PUT JEANNA INTO A COMA, AS A TEAM OF SPECIALISTS LED BY DR. RODNEY WILLOUGHBY HOPED MEDICINE WOULD PROTECT HER BRAIN WHILE HER IMMUNE SYSTEM WOULD FIGHT THE RABIES. IT'S OUTSIDE OF OUR UNDERSTANDING OF BIOLOGY AND MEDICINE AS IT STOOD A COUPLE OF MONTHS AGO, SO ITS MIRACULOUS. WILL IT WORK AGAIN? I SURE HOPE SO. IN WHICH CASE, IT BECOMES SCIENCE AS WELL AS MIRACLE. JEANNA IS NOW OUT OF DANGER... AND GETTING TUTORED AT HOME....READY TO RETURN TO SCHOOL FULL TIME LATER THIS MONTH... MY MAIN GOAL WAS JUST TO KEEP THINKING IT WOULD WORK OUT. SHE LOST MUSCLE MASS, BUT NOT HER INTELLECT, OR SENSE OF HUMOR. DO YOU GET TIRED OF DOING THE THERAPY? SOMETIMES. DO YOU TELL YOUR PARENTS, YOU KNOW, I DON'T WANT TO GO!?!? YEP! AND WHAT DO THEY SAY TO YOU? TOO BAD, YOU'RE GOING!!! (LAUGHS) JEANNA HAS RECEIVED HUNDREDS OF LETTERS AND PACKAGES FROM AROUND THE WORLD... LEAVING HER VERY EMOTIONAL. DEAR JEANNA, I JUST HAD TO GIVE YOU A NOTE TO TELL YOU HOW MUCH I LOVE AND CARE ABOUT YOU....(STARTS CRYING) ...AND VERY GRATEFUL.

NO MATTER HOW PEOPLE LAUGH -- THE CHUCKLE, THE CACKLE, THE GAFFAUGH -- THIS LATEST RESEARCH SHOWS IT'S ALL A POWERFUL POTION FOR THE HEART. SB FOR THE FIRST TIME, WE'RE ABLE TO DEMONSTRATE THAT LAUGHTER, A POSITIVE EMOTION, IMPROVES THE HEALTH OF YOUR ARTERIES. Reporter MCKENZIE: THE FIRST THINGS DOCTORS NEEDED FOR THIS EXPERIMENT, WERE SOME GOOD, FUNNY MOVIES, SUCH AS "THERE'S SOMETHING ABOUT MARY." THE VOLUNTEERS, THERE WERE 20 IN ALL, WATCHED AND LAUGHED. IMMEDIATELY AFTERWARD, RESEARCHERS MEASURED AN ARTERY IN EACH VOLUNTEER. YOU COULD SEE THE DIFFERENCE. AFTER THE MOVIE, THE ARTERIES WERE SO RELAXED, THEY EXPANDED 22%. WHICH MEANT MORE BLOOD FLOWING MORE EASILY THROUGHOUT THE BODY. SB WHEN YOU BLOOD FLOW INCREASES, IT IS OVERALL BETTER FOR YOUR HEART AND OTHER ORGANS BECAUSE YOU'RE DELIVERING MORE OXYGEN. Reporter MCKENZIE: "KINGPIN," ANOTHER COMEDY SOME VOLUNTEERS SAW -- PRODUCED THE KIND OF BENEFIT TO ARTERIES NORMALLY SEEN AFTER 20 TO 30 MINUTES OF JOGGING. THE MOST LIKELY EXPLANATION, SAY RESEARCHERS, IS THAT LAUGHING REDUCES THE PRODUCTION OF STRESS HORMONES IN THE BODY, AND INCREASES CHEMICALS THAT MAKE BLOOD VESSELS RELAX. NO ONE KNOWS HOW LONG THE HEALTH BENEFITS OF LAUGHTER CAN LAST. BUT THE STUDY SUGGESTS A FEW HEARTY CHUCKLES EACH A DAY COULD BE A VALUABLE PRESCRIPTION BUT MUCH DEPENDS ON IN THE ENTERTAINMENT.

THE RESEARCHERS FOUND THAT SKIN TISSUE CHOLESTEROL LEVELS ARE DIRECTLY RELATED TO CARDIOVASCULAR RISK, AND THEY BELIEVE THIS TEST, CALLED PREVUE, CAN HELP PREDICT A PERSON'S RISK FOR HEART DISEASE AND STROKE. FOR 107-MILLION AMERICANS, THERE IS NO END TO THE WAR AGAINST CARDIOVASCULAR DISEASE. KEEPING YOUR GOOD CHOLESTEROL UP AND YOUR BAD CHOLESTEROL DOWN IS A DAILY STRUGGLE. THERE'S NO GUARANTEE THAT EVEN WHEN YOU GET IT RIGHT-THAT IT WILL SAVE YOU FROM A HEART ATTACK. "CHOLESTEROL IS NOT A PERFECT PREDICTOR. THERE ARE PATIENTS WHO HAVE HEART ATTACKS WITH HIGH CHOLESTEROL LEVELS-AND PATIENTS WHO HAVE HEART ATTACKS WITH LOW CHOLESTEROL LEVELS." THE PATIENTS --DOCTORS ARE MOST CONCERNED ABOUT- ARE THOSE ON THE BORDERLINE-WHOSE LEVELS FLUCTUATE BETWEEN BEING NORMAL AND A LITTLE HIGH. ACCORDING TO RESEARCHERS AT THE UNIVERSITY OF WISCONSIN, A NEW SKIN CHOLESTEROL TEST MAY BE ONE OF THE BEST OPTIONS FOR THESE PATIENTS. "A LOT OF PEOPLE DON'T REALIZE THAT THE SKIN IS THE BODY'S LARGEST REPOSITORY OF CHOLESTEROL." IN FACT, SKIN CONTAINS APPROXIMATELY 11-PERCENT OF THE CHOLESTEROL FOUND IN THE BODY... AND IT TURNS OUT TO BE ALMOST LIKE A CRYSTAL BALL. "WE FOUND THAT THE AMOUNT OF CHOLESTEROL IN THE SKIN WAS A GOOD PREDICTOR OF PATIENTS WHO HAD ADVANCED ARTEROSCLEROSIS IN THEIR NECK." DR. JAMES STEIN AND HIS COLLEAGUES COMPARED THE TEST TO AN ULTRASOUND OF THE ARTERIES IN THE NECK...AND THE RESULTS WERE ALMOST EQUAL. IT TAKES JUST A FEW MINUTES --- AND INVOLVES PLACING A PAD ON THE SKIN---ADDING A FEW DROPS OF A CHEMICAL SOLUTION AND WAITING... A DOCTOR OR TECHNICIAN READS THE "COLOR CHANGE"

OF THE AREA WITH A SPECIAL TOOL-AND THE RESULTS ARE DISPLAYED ON A COMPUTER SCREEN. AT THIS POINT SUCH A TEST WOULD ONLY BE AN ADDITION TO THE GOLD STANDARD *BLOOD* TEST SCREENING...WHICH MEASURES THE AMOUNT OF CHOLESTEROL FLOATING AROUND IN THE BLOODSTREAM. BUT IT MAY BE HELPFUL AS AN EARLY SCREENING TOOL TO DETECT CARDIOVASCULAR DISEASE IN PATIENTS WITHOUT ANY SYMPTOMS. "IT MOVES CARDIOVASCULAR RISK PREDICTION-BACK TO THE DOCTOR'S OFFICE -WHICH IS THE PLACE IT BELONGS." BRUSHING MAY DO MORE THAN KEEP CAVITIES AWAY. RESEARCH SHOWS A HEALTHY MOUTH MIGHT REDUCE YOUR RISK OF STROKE AND HEART DISEASE. COLUMBIA UNIVERSITY INFECTIOUS DISEASE RESEARCHER MOSE DESVARIEUX (MOE-EEZE DAY-VAR-EE-UH), WHO LED THE STUDY, AND NEUROLOGIST RALPH SACCO (SACK-OH) REPORTED IN THE JOURNAL CIRCULATION THAT THICKENING OF AN ARTERY CALLED THE CAROTID (CAH-RAH-TID), AT WORK IN STROKE AND HEART ATTACK, IS ASSOCIATED WITH HIGH LEVELS OF ORAL BACTERIA FOUND IN GUM DISEASE. # THE RELATIONSHIP THAT WE HAVE BETWEEN GUM DISEASE, THE BACTERIA, AND THE THICKER CAROTID WAS ONLY PRESENT IN THE BAD BACTERIA AND NOT IN THE OTHER ONES. "THE RELATIONSHIP THAT WE HAVE BETWEEN GUM DISEASE, THE BACTERIA, AND THE THICKER CAROTID WAS ONLY PRESENT IN THE BAD BACTERIA AND NOT IN THE OTHER ONES." THE TEAM SPENT FIVE YEARS STUDYING 657 PEOPLE OVER AGE 55 OF MIXED RACE AND INCOME, ALL WITH NO STROKE HISTORY. THEY SCREENED PATIENTS FOR DIABETES, HYPERTENSION, AND SMOKING AND SAMPLED ELEVEN TYPES OF ORAL BACTERIA, FOUR THOUGHT TO CAUSE GUM DISEASE AND SEVEN THAT DON'T. THEN, THEY TOOK ULTRASOUNDS TO SCREEN FOR THICKENING OF THE CAROTID (CAH-RAH-TID) ARTERY. "WHEN YOU HAVE A BLOCKAGE THAT'S MORE THAN 70 PERCENT IN THE CAROTID ARTERY YOU CAN HAVE A SIGNIFICANT REDUCTION IN BLOOD FLOW TO THE BRAIN AND WHEN BLOOD FLOW IS (START COVER) REDUCED TO THE BRAIN YOU CAN HAVE WHAT'S CALLED A STROKE." BUT DESVARIEUX (DAY-VAR-EE-UH) EMPHASIZES THE LINK DOESN'T PROVE THESE BACTERIA LEAD TO HARDENING OF THE ARTERIES. THEY PLAN MORE RESEARCH INCLUDING FOLLOWING THE STUDY PATIENTS. # WE DON'T KNOW EXACTLY WHICH ONE CAME FIRST, THAT WE NEED TO KNOW AND THE ONLY WAY WE CAN KNOW THAT IS BY FOLLOWING THEM UP AND TRYING TO SEE WHETHER THE, CAROTID ARTERY CONTINUES TO THICKEN. "WE DON'T KNOW EXACTLY WHICH ONE CAME FIRST, THAT WE NEED TO KNOW AND THE ONLY WAY WE CAN KNOW THAT IS BY FOLLOWING THEM UP AND TRYING TO SEE WHETHER THE CAROTID ARTERY CONTINUES TO THICKEN." FOR MARY BIRMINGHAM DOING SOMETHING LIKE THIS ONCE A DAY..MAKES THIS PART OF THE DAY GO MORE SMOOTHLY. PARENTING MAGAZINE SAYS THERE ARE SOME TIME MANAGEMENT STRATEGIES THAT EASE DAILY DISTRACTIONS. TRY PUTTING YOURSELF FIRST AT LEAST ONCE A DAY. (MOM/SOT) I FIND MAKING TIME FOR MYSELF MAKES MY WHOLE DAY GO MORE SMOOTHLY BECAUSE I HAVE MADE MYSELF A PRIORITY AND HAVE THE ENERGY TO KEEP GOING. ANOTHER TIME MANAGEMENT STRATEGY IS TO THINK ABOUT HOUSEWORK DIFFERENTLY. IF YOU LOOK AT EVERYTHING YOU HAVE TO DO IN YOUR HOUSE AS ONE BIG LIST IT CAN BE OVERWHELMING. TRY DESIGNATING ONE DAY OF THE WEEK FOR DIFFERENT CHORES THEN LEAVE TWO DAYS OPEN FOR THINGS THAT MIGHT NOT GET DONE. FOR INSTANCE IF THURSDAY IS YOUR DAY TO DUST, HOLD FIRM TO THAT DAY EVEN IF YOU NOTICE A DUSTY TABLE EARLIER IN THE WEEK. HERE'S WHAT'S ON THE MENU FOR

TONIGHT. BE FLEXIBLE BUT HAVE A BOTTOM LINE. THE BIRMINGHAMS MAKE A WEEKLY DINNER MENU AND STICK TO IT. THAT STOPPED THE ENDLESS DISCUSSION BROUGHT ON BY TOO MANY CHOICES. TRY MAKING AN "I DID IT" LIST. YOU MAY FIND WHEN YOU REFLECT ON ALL YOU REALLY ACCOMPLISH IN A DAY YOU'RE MORE EFFECTIVE THAN YOU GIVE YOURSELF CREDIT FOR.

WHEN TERRI SCHIAVO WAS ADMITTED TO THE HOSPITAL 15 YEARS AGO, HER ENTIRE FAMILY PULLED TOGETHER. THERE WAS, IN THOSE FIRST SEVERAL YEARS FOLLOWING THE ACCIDENT, VERY AGGRESSIVE EFFORTS BY MICHAEL AND BY THE FAMILY WHO WERE WORKING CLOSELY TOGETHER TO BRING HER BACK. Reporter: JAY WOLFSON, A LAWYER AND PROFESSOR OF PUBLIC HEALTH, WAS APPOINTED BY THE FLORIDA LEGISLATURE A YEAR AND A HALF AGO TO REPORT ON SCHIAVO'S CONDITION FOR GOVERNOR JEB BUSH AND THE COURTS. I READ CLOSE TO 30,000 PAGES OF DOCUMENTS. I READ FILES THAT WERE SEALED. I LOOKED AT THE MEDICAL RECORDS. SCHIAVO SPENT MOST OF THE FIRST TWO AND A HALF MONTHS AFTER HER CARDIAC ARREST IN THIS HOSPITAL, IN A COMA. WHEN SHE FINALLY OPENED HER EYES, DOCTORS THERE SAID SHE WAS NOT CONSCIOUS. SHE WAS DIAGNOSED AS BEING A PERSISTENT VEGETATIVE STATE AFTER SHE EMERGED FROM A COMA. Reporter: OVER THE NEXT SEVERAL MONTHS, SHE WENT FROM REHABILITATION CENTERS TO HOSPITALS AND BACK AGAIN -- EACH DAY GETTING OCCUPATIONAL AND PHYSICAL THERAPY. A VARIETY OF EFFORTS TO TONE MUSCLES, TO BEND ARMS AND LEGS, MOVE THE BODY TO GET IT TO RESPOND AS OPPOSED TO JUST REFLEX. WOLFSON FOUND -- THERE WAS NO IMPROVEMENT. A BATTERY OF TESTS, INCLUDING MRI SCANS, SHOWED BRAIN FUNCTION REMAINED SIGNIFICANTLY IMPAIRED. THE RECORDS ALSO SHOW SHE COULD NOT SWALLOW FOOD OR WATER. SIX MONTHS AFTER HER CARDIAC ARREST, IN AUGUST OF 1990, MICHAEL SCHIAVO TOOK HIS WIFE TO CALIFORNIA, WHERE DOCTORS IMPLANTED ELECTRODES IN HER BRAIN, TRYING TO STIMULATE THE CELLS. IT WAS A VERY EXPERIMENTAL TECHNIQUE THAT WAS PUBLISHED. SOME OF TERRI'S PHYSICIANS THOUGHT THAT IT MIGHT BE A LONG SHOT. AND MICHAEL TOOK THAT LONG SHOT.

Reporter: WOLFSON SAID IT DID NOTHING TO HELP. HER CEREBRAL CORTEX HAD BEEN SO PROFOUNDLY AFFECTED THAT MUCH OF IT HAD TURNED TO LIQUID BY THAT TIME. Reporter: AFTER FOUR YEARS OF INTENSIVE EFFORT, THE RECORD SHOWED THAT MICHAEL SCHIAVO CONCLUDED WHAT DOCTORS HAD BEEN TELLING HIM MONTHS AFTER HIS WIFE WAS ADMITTED TO THE HOSPITAL -- THAT THERE WAS NO REASONABLE CHANCE OF HER RECOVERY. A YEAR AND A HALF AGO, WOLFSON SAW FOR HIMSELF, VISITING SCHIAVO EVERY DAY FOR SEVERAL WEEKS. HE SAID HE TALKED TO HER, HELD HER FACE, STROKED HER HAIR, ALMOST ANYTHING TO GET HER TO -- RESPOND IN SOME WAY, SOME CONSISTENT PERIODIC WAY THAT GAVE ME A SIGN THERE WAS SOMEONE IN THERE. I DID NOT GET ANY, NO. Reporter: WOLFSON'S REPORT SUGGESTED DOING MORE TESTS ON SCHIAVO IF FAMILY MEMBERS COULD AGREE ON HOW TO INTERPRET THE RESULTS. THEY COULD NOT. AND THE TESTING WAS NEVER DONE.

FOR SEVEN YEARS, THE TABAK FAMILY HAS BEEN CELEBRATING HOLIDAYS THIS WAY...EVER SINCE MARCI'S HEART ATTACK SEVEN YEARS AGO LEFT HER IN A PERSISTENT VEGETATIVE STATE...OR PVS....A CONDITION JUST LIKE TERRI SCHIAVO'S. MARCI'S HUSBAND YA'ACOV HAS BEEN FIGHTING THE MEDICAL ESTABLISHMENT EVER SINCE. "MARCI'S MOTOR FUNCTIONS WERE AFFECTED BUT YOU ARE CONVINCED THAT HER MENTAL CAPACITY REMAINS UNAFFECTED?" "THAT IS CORRECT. YOU HIT THE NAIL ON THE HEAD. NEUROLOGISTS WILL HEAR ME AND SAY "OH, THAT'S ABSURD, HOW CAN YOU SAY THAT?" BUT I CONTEND THEY DON'T KNOW. I CONTEND THERE HASN'T BEEN ANY SERIOUS RESEARCH ON A BROAD SCALE OF COGNITION OF PERSISTENT VEGETATIVE STATE DIAGNOSIS." AND YA'ACOV, A DOCTOR OF CHEMISTRY BY TRAINING, HAS UNDERTAKEN HIS OWN RESEARCH. SEVEN YEARS AGO, HE BEGAN EXPERIMENTING WITH WORDS AND PICTURES... "SO WE TOOK THE TABLET AND WROTE THE LETTER BLINK ON IT AND DIDNT SAY ANYTHING AND SHOWED IT TO HER AND EVENTUALLY SHE BLINKED." SOON, MARCI WAS RESPONDING TO COLORS AND SOUNDS... NOW,

MARCI'S TWO CAREGIVERS COMMUNICATE BY READING HER SUBTLE FACIAL EXPRESSIONS... SOMETHING MARCI'S NURSE, MARIA, SAW IN TERRI SCHIAVO WHEN SHE SAW THE STORY ON TELEVISION... "AND I SAW THE SAME REACTION AND I TOLD YA'ACOV, "SHE'S THERE" YOU CAN TELL BY THE EYES THAT SHE'S THERE. THE SAME EXACT THING I SAW WITH MARCI EXCEPT THAT SHE NEEDS A LOT OF STIMULATION TO BE ABLE TO EXPRESS HERSELF." YA'ACOV IMMEDIATELY CONTACTED A FRIEND OF SCHIAVO'S PARENTS, BOB AND MARY SCHINDLER. "...AND I SAID, GET THIS INFORMATION TO BOB AND MARY SCHINDLER, I'LL DO ANYTHING TO HELP--THAT THEY PREVAIL." YA'ACOV BELIEVES THAT TERRI SCHIAVO, LIKE HIS WIFE, RETAINS COGNITIVE ABILITIES...AND WOULD BENEFIT FROM MENTAL STIMULATION. "THE MINUTE YOU LABEL A HUMAN BEING A PLANT, A VEGETABLE, YOU'RE CONDEMNING THEM TO SOME HORRIBLE FATE SOONER OR LATER BECAUSE NOBODY RESPECTS PLANTS THE WAY THEY RESPECT HUMAN BEINGS."

STOPPING LIFE SUSTAINING TREATMENT...A GRIM PROGNOSIS...AN ALMOST IMPOSSIBLE CHANCE AT RECOVERY... EVERYDAY, DOCTORS TAKE ON THESE ISSUES, THEY HAVE HEARTBREAKING CONVERSATIONS WITH FAMILIES WHO HAVE TAKEN ON THE LIFE AND DEATH DECISIONS OF THEIR LOVED ONES. THERE ARE SOMETIMES WHEN FAMILIES TURN TO ME AND SAY IF THIS WAS YOUR MOTHER WHAT WOULD I DO AND I ANSWER HONESTLY I DON'T KNOW WHAT I WOULD DO. THIS IS THE HARDEST PART OF THE DISCUSSION BECAUSE. IT'S A VERY DELICATE DANCE AND THERE IS NO ONE STYLE. EVERY PATIENT, EVERY FAMILY IS DIFFERENT. MANY DOCTORS TRY TO PUSH ASIDE THEIR OWN PERSONAL BELIEFS ON WHAT'S RIGHT AND WRONG IN ORDER TO FOCUS ON WHAT IS BEST FOR THE PATIENT. AT A TIME WHEN A FAMILY CAN BE IN AN IMMEASURABLE HAZE OF CONFUSION AND EMOTION, PATIENTS AND FAMILIES RELY ON THE PHYSICIAN TO GUIDE THEM THROUGH.... IT'S A POWERFUL THING THE PRIVILEGE AND THE HARDEST PART OF BEING A PHYSICIAN. THERE ARE AT TIMES WHEN ALL THE MEDICAL INTERVENTIONS IN THE WORLD IS NOT GOING TO PROLONG LIFE. I THINK PEOPLE WANT 100 PERCENT AND WE WILL NEVER BE ABLE TO HAVE A 100 PERCENT. COULD I BE WRONG? ABSOLUTELY. BUT I HAVE TO GIVE A RECOMMENDATION BASED ON WHAT I KNOW AND THE MOST PROBABLE THING THAT WILL HAPPEN. IN THESE ROOMS, DOCTORS FACE ANGER, FRUSTRATION, HURT AND IN SOME CASES...A LASTING HOPE FOR A MIRACLE. IF A MIRACLE IS GOING TO HAPPEN AND THIS PERSON IS GOING TO EAT OR BREATHE ON THEIR OWN AND DO WHATEVER IT IS THAT WILL BE NECESSARY TO MAINTAIN THEM AND I TELL THEM THAT A MIRACLE DOESN'T NEED ME TO MAKE IT HAPPEN. I NEVER USE THE PHRASE THERE IS NO HOPE. I NEVER USE THE PHRASE THERE IS NOTHING MORE WE CAN DO. THERE IS NOTHING MORE THAT CAN BE DONE. BECAUSE THERE IS ALWAYS HOPE. TERRI SCHIAVO'S STORY SUDDENLY FORCED MANY OF US TO CONFRONT THE ISSUES OF LIVING WILLS, HOPES OF RECOVERY, AND BEATING THE ODDS, BUT FOR DOCTORS, LIKE THESE, THE TOUGH ISSUES ARE PART OF DAILY LIFE.

THE PEOPLE WHO GOT WARFARIN DID WORSE, EVEN THOUGH WARFARIN IS ARGUABLY A MORE POTENT ANTI-COAGULANT."
